Natural
100%

We are a Colombian company dedicated to the production and export of natural pet snacks. We are registered with CFIA, FDA and ICA.

Our delicious 100% natural snacks are gluten-free, chemical-free and made with a single ingredient. All snacks produced by Caninos plus are odor-free. Our 100% natural chews are a good source of chondroitin that helps to boost the joint health of your pet and are an excellent low-calorie natural snack for all dogs.

Our snacks are made with swine and bovine by-products, we make sure that all raw material comes from qualified cold stores, this way we guarantee the quality. The raw material enters the production area where our team takes care of product transformation, then is taken to temperature tunnels depending on the type of by-products can be submitted to more than 90 degrees for 3 days, this is how we achieve the necessary cooking to guarantee premium quality.

You can be sure that your dog is receiving a healthy and clean snack, because they do not contain any preservatives or chemicals that could harm your beloved pet. Besides, the bully sticks are an exceptional source of protein and fully digestible
